In Four Easy Steps

Step 1: Get Organized.

*One of MACU's knowledgeable Financial Service Representatives will help you choose the services that are right for you, open your account, and order your new MACU checks and VISA Debit Card.

*Transition from your old account, and being using your Millstream Area Credit Union account.

Step 2: Switch Direct Deposits

*Change any automatic or direct deposit to your new MACU account with page 3 of this kit.

*For Payroll Deductions, print, complete, and send one direct deposit form to each company making a direct deposit.

*For Social Security Direct Deposit, please call the Social Security Administration at 1.800.772.1213. Your change can be made right over the phone. Simply use the numbers at the bottom of your Millstream Area Credit Union checks.

Step 3: Switch Automatic Withdrawals/Charges

*Contact the organizations and financial institutions that are currently deducting a recurring payment from your existing account.

*Switch existing automatic withdrawals by completing the "Automatic Withdrawal Request" form on page 4 and provide them to the corresponding payee.

*Automatic charges to your old debit or credit card can be changed by providing the organization with your new VISA Debit Card or MACU VISA Credit Card number.

Step 4: Close Your Old Accounts

*Leave your old accounts open long enough for outstanding checks and automatic withdrawals to clear with enough money in the accounts to cover the transactions.

*Once the accounts are no longer active, complete the "Close Accounts Request" form on page 5 and submit to your previous financial institution.
